

THERE EXISTS NO FREE, USER FRIENDLY, MULTI-PLATFORM APPLICATION THAT COMBINES THE FUNCTIONS OF A CALENDAR, TASK ORGANIZER, AND TODO LIST. THERE ARE MANY APPS THAT CAN PERFORM ONE OF THESE TASKS VERY WELL, HOWEVER IT IS CUMBERSOME TO CONSTANTLY MANAGE AND SWITCH BETWEEN MULTIPLE APPS TO LIVE AN ORGANIZED DAY-TO-DAY LIFE. THERE ARE A COUPLE OF APPS THAT HAVE ATTEMPTED THIS, HOWEVER THEY ARE EITHER NOT MULTI-PLATFORM, OR THEY ARE NOT USER FRIENDLY TO THE POINT WHERE A COLLEGE STUDENT COULD LEARN HOW TO USE THEM. THEY ARE ALSO OFTEN CATERED TOWARDS BUSINESSES OR THE PROFESSIONAL WORLD, AS OPPOSED TO A PERSONAL ORGANIZER.
